

# How to Sign your Bolon floor

A quick guide on how to clean your Bolon floor, with Sign.

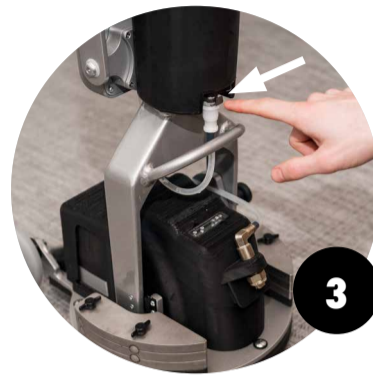

1

First time use?  
Fully charge the battery.

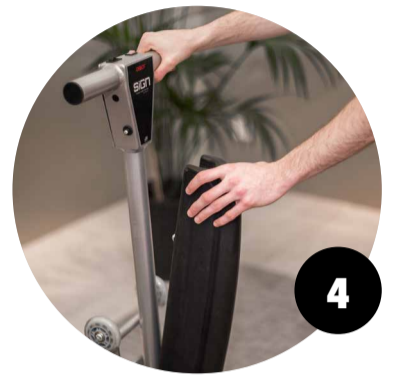

2

Insert battery firmly.

3

Push release button  
to remove hose.

4

Remove tank and fill.  
Reinsert tank and hose.

5

Pull latch and fold  
down support wheels.

6

Lean Sign backward,  
put pad in front.

7

Lean Sign forward,  
fit pad.

8

Pull latch  
to loosen body.

9

On/off (left) and spray (right)  
buttons. Start cleaning.

10

● OK ● High friction  
● Battery level

11

After use, put body in  
upright position.

12

Lean Sign backward  
and remove pad.

13

Remove battery  
by pressing latch.

14

Charge battery  
when not in use.
